

ONVU Learning Rewards

ONVU Learning Rewards is all about you, the educator. ONVU Learning is designed to enable educators as they hone existing and develop new teaching and learning skills. Whether you log into ONVU Learning to self-, co- or peer-reflect on teaching practice, you'll gain an 'Insight Day' which adds up to reward Badges and more.

How do you earn ONVU Learning Rewards?

You get one insight day for every day you use the platform, so it's time to login and get using.

- ONVU Learning User Training Session Complete
- Initial Platform Set Up Complete
- 1 Insight Day

15 Insight Days

60 Insight Days

100 Insight Days

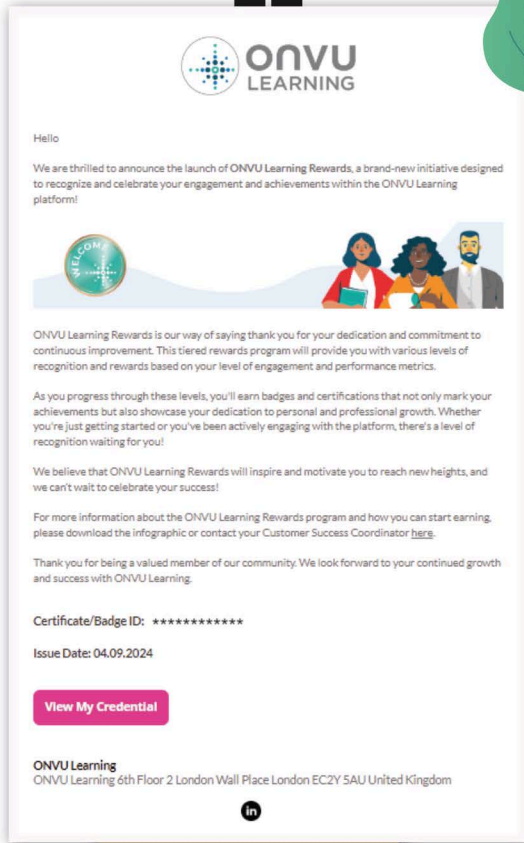

What do ONVU Learning Rewards mean for you?

- **I - Insights** gained through reflection on ONVU Learning footage will empower you to make useful adjustments to your practice.
- **N - Notice** (and respond to) what would otherwise be missed during old-fashioned observations. Be Rewarded for noticing!
- **S - Strategic** development plans for your school can be underpinned by really great teaching that you can show off.
- **I - Inform** your colleagues, coaches, mentors and managers of just how well you know your practice.
- **G - Grow** your skills your way and be Rewarded.
- **H - High Five!** Who doesn't love to be recognised for great work.
- **T - Teamwork** is key. No one is an island. Share your best bits and ask for help on your terms.

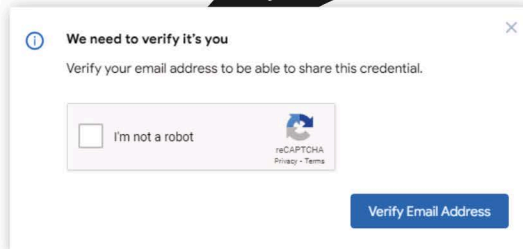

What to do when you earn a badge?

Share it with your colleagues, share it on your social platforms, tag us on LinkedIn. Just verify your credentials and show off your achievement with your network.

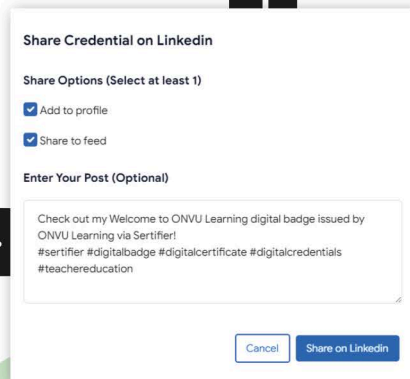

What To Do When You Receive Your Credential

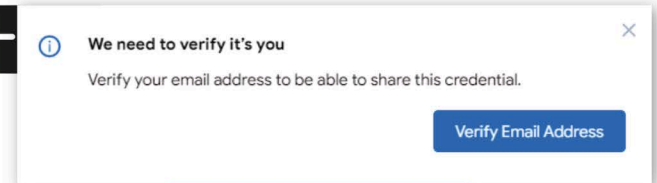

Step 1: Select View My Credential

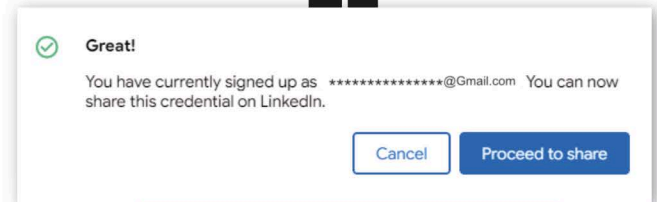

Step 3: You will need to verify that it's you, so confirm you're not a robot, and then follow the steps. You will receive a verification email, just add the code from the verification

Step 2: Click Share to LinkedIn

Step 4: Select Verify Email Address

Step 5: Customise your message and select Share to LinkedIn
